

NFCT Map 2

Edition 1: First and Second Print

Trail Updates

Map 2 was released in 2004. A second printing was done in 2008. The map was reprinted again in 2014, at which time updates were made to the map. If you are using the 2004 or 2008 editions for navigation you will want to make note of the changes for each edition. Below you will find the Trail Updates that were noted for the first and second printing of Map 2 between 2004 and 2014:

First Edition (First and Second printings 2004-2013)
