The seasoned guides at [North Woods Rafting](#), New Hampshire's first whitewater rafting company, want to take you on a *Grand Adventure!* Imagine the thrill of plunging through the Androscoggin or Magalloway Rivers' Class I, II and III rapids with your friends and family. Half and full-day whitewater rafting tours are both available.

A slower pace on flat water is also offered for those interested in exploring prime moose, eagle and osprey habitat. In between wildlife sightings, you can cool off with an unforgettable leap from a shoreline rope swing. This wildlife tour is a half-day adventure.

Regardless of the journey you choose, your guide will instruct you in basic paddling skills and will provide safety oversight and logistical support. You will also be treated to a light lunch on the riverside topped off with the North Woods Rafting signature "Wicked Good Cookies".

After your day of paddling, you will return to your room at the rustic and charming [Great Northern Moose Lodge](#). Situated at the southern end of the 13

Mile Wilderness, the Lodge is a peaceful getaway surrounded by beautiful walking trails. In the mornings, you will awaken to bird songs and a deluxe continental breakfast.
