The seasoned guides at [North Woods Rafting](#), New Hampshire's first whitewater rafting company, want to take you on a *Grand Adventure*! Imagine the thrill of plunging through the Androscoggin or Magalloway Rivers' Class I, II and III rapids with your friends and family. Half and full-day whitewater rafting tours are both available.

A slower pace on flat water is also offered for those interested in exploring prime moose, eagle and osprey habitat. In between wildlife sightings, you can cool off with an unforgettable leap from a shoreline rope swing. This wildlife tour is a half-day adventure.

Regardless of the journey you choose, your guide will instruct you in basic paddling skills and will provide safety oversight and logistical support. You will also be treated to a light lunch on the riverside.

After your day of adventure on the river, you will return to your room at [150 MAIN STREET LODGING ON THE ANDROSCOGGIN](#), a lovely guesthouse located adjacent to the Androscoggin River's Class III rapids in

Errol, NH. The guesthouse is within easy walking distance of local shops and restaurants. It offers comfortable, newly renovated and according to a past guest, "perfectly appointed" rooms, common areas and a fully equipped kitchen.
