

## **Northern Forest Canoe Trail**

### **Job Posting: Program Director**

**Start Date: October 1, 2008**

The Northern Forest Canoe Trail (NFCT) seeks a creative, talented, and energetic individual to join our team as we expand our community outreach programming. The NFCT water trail route extends from the Adirondacks to Northern Maine, and our vision is equally expansive, encompassing recreation, heritage, tourism, grassroots engagement, and a regional perspective. The Program Director, a new position at NFCT, will be responsible for administering NFCT's community outreach programs, which include both tourism development and youth programming linked to our route, and for coordinating NFCT's communications. The ideal applicant will bring successful experience collaborating with a variety of partners around shared outcomes, a passion for bringing people together to create and deliver successful programs, and a commitment to high quality communication and reliable follow-through both within NFCT and beyond. Experience in program development / management, strong communications skills, and a willingness to travel within the region are required. Undergraduate or master's degree in related field preferred. This is a full time equivalent position with benefits; reports to NFCT's Executive Director. Position is based in NFCT's Waitsfield, Vermont office. E-mail cover letter, resume, and three references to [jobs@northernforestcanoetrail.org](mailto:jobs@northernforestcanoetrail.org), with subject line *Program Director*. No phone calls.
