Discover the serenity of the Northern Forest Canoe Trail's winter wilderness on cross country skis.

You will spend your first night in your comfortable and, according to past guests, "perfectly appointed" room at [150 MAIN STREET LODGING ON THE ANDROSCOGGIN](#) in Errol, NH. In

the morning you can prepare your own breakfast in the fully equipped kitchen or your hosts will direct you to a local restaurant. After breakfast your guide, Jeff Barrie, from [Outdoor ESCAPES New Hampshire, LLC](#), will lead you on an unforgettable exploration. Depending on your skill level, equipment and the weather and snow conditions, you will either journey through some of New Hampshire's finest backcountry wilderness or along the extensive, groomed trail system at the Balsams Grand Resort Hotel.

Jeff will offer ski instruction, tips for enjoying winter outdoor travel and naturalist interpretation. He will also help to arrange ski or snowshoe rentals (for those who need equipment) and provide snacks and a delicious trail lunch. Fun and adventure are guaranteed. Jeff promises, "... if there's no snow, we still go!"

After a day of finding animal tracks and learning about the rich human history in the Northern Forest Canoe Trail's watersheds, you will return to [150 MAIN STREET LODGING ON THE ANDROSCOGGIN](#). Here you can recount tales of the day in the cozy Gathering Room and prepare your own dinner or go out for a hearty meal prepared at an authentic North Woods restaurant.
