Overview: In the spring of 2015 the NFCT worked with teachers and students from [North Country Union High School](#) and landowner Great Bay Hydro to improve two paddler campsites on Clyde Pond. You can listen to a Vermont Public Radio story on the project by following this [link](#).

Site Information:

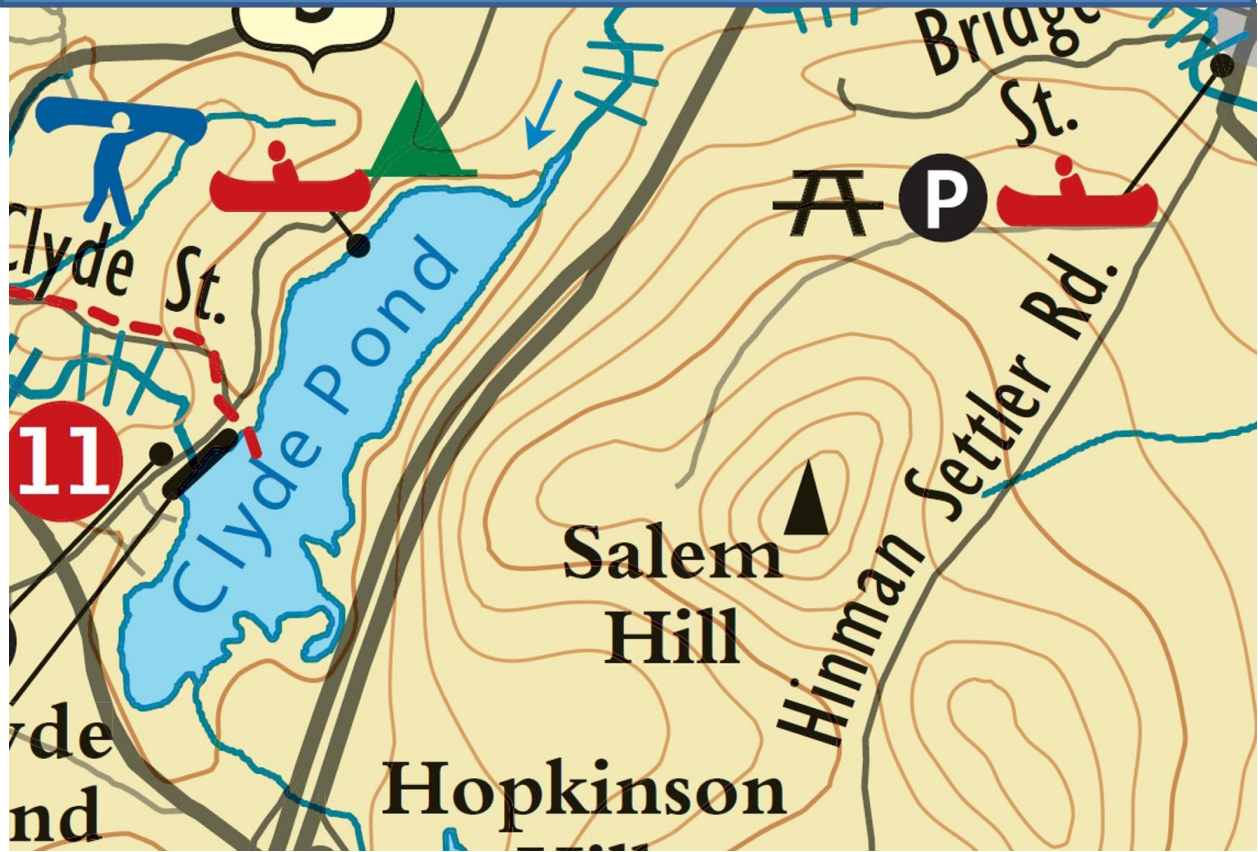

Hidden Leaf: The campsite can be found on the eastern shore of Clyde Pond. It has a picnic table, sign-in box, fire ring, and box privy.

Pond View: The campsite is found on the western shore of Clyde Pond. It is at the end of an access road and near the hand carry access. This site sees more activity throughout the day as it is used as a picnic area. There is a picnic table but no privy.

Leave No Trace ethics apply at each location. Carry out what you carry in and leave the site as you found it or better.

The NFCT works to maintain landowner agreements and maintain the access, portage, and campsites along the 740-mile trail corridor. Please [become a member](#) or give to the [Trail Fund](#) to keep the Trail alive.
